**Community Action Partnership to debut Training & Learning Center**

Community Action Partnership (CAP) of Riverside County invites residents to take part in the grand opening celebration of the new Training & Learning Center, located at 2038 Iowa Ave., Suite B101 in Riverside.

The event is planned from noon to 4 p.m. on Oct. 26.

“We are very excited to debut our new Training and Learning Center with the residents of Riverside County. Some great work is going to happen here in this facility,” said Brenda Salas Freeman, deputy director of Public Health and executive director for CAP.

The new center will be home for programs and partners who offer free training for families who wish to learn new life skills such as budgeting, job preparation, energy savings, healthy living and saving for success to name a few.

The ribbon cutting ceremony will also feature a showcase of various CAP programs, including utility assistance and weatherization services, along with vendors that will share information on community resources.

Refreshments will be provided.

Guests are invited to RSVP or reserve a booth with Gabriela Perez by calling 951.955.3246 or via email at [gabperez@capriverside.org](mailto:gabperez@capriverside.org).
